With the release of hits like "QUÉDATE," "CALAVERA," and her own version of "MÁS QUE TU AMIGA" (originally a success by her father, the living legend of music, the Michoacan singer-songwriter MARCO ANTONIO SOLÍS), one year into her debut in the entertainment industry, MAR has proven that she was born for singing and composition, feeling like a 'fish in the water' in this career. All three songs secured the TOP #1 #HOTSONG position on radio popularity charts in various countries.

From her solo debut in August 2022 at the Palacio de Los Deportes in Santo Domingo, Dominican Republic, as a Guest Artist for Luis Fonsi and Reik, to her notable performances with Danny Ocean and Gloria Trevi, MAR's career has continued to soar in the music scene.

In March 2023, she was Gloria Trevi's special guest at the National Auditorium in Mexico and joined Manuel Turizo's tour in various cities. Additionally, she was a special guest on tours with Camilo and Gloria Trevi in Guatemala, San Salvador, Mexico, South America, and other places.

In June 2023, MAR released her first English single, "TAKING BACK YOUR HEART," as part of her EP "COLORS OF LOVE," which includes other captivating songs. Her versatility is evident as she explores new musical horizons.

In September, she repeated as Gloria Trevi's guest in Las Vegas, and in October, she announced her participation in 29 cities for the "Mi Soundtrack" tour in 2024, including the Radio City Music Hall in NY.

MAR also served as a presenter during the 30th Latin Billboards in Miami, presenting the award for the Featherweight winner in the "Best New Artist" category.

On October 21 and 22, MAR illuminated the stage at the "Phoenix Pride Festival" in School Park, Phoenix, Arizona, with her dazzling presence before an enthusiastic and affectionate crowd.

Subsequently, on November 16 and 17, MAR was invited to participate as the 'opening act' for the 2023 World Tour concerts of the legendary Mexican singer Marco Antonio Solís at the Movistar Arena in Bogotá, Colombia, creating two unforgettable nights for the 28,000 fans in attendance.

To conclude 2023, on December 2, MAR's magical presence illuminated Dodger Stadium with her performance at the "BÉSAME MUCHO" Festival, an event that brought together the most important stars of Latin American rock, pop, regional Mexican music, and cumbia.
